

Pre - ANA Issue

July 24, 2010

Greetings!

I have obtained a lot of **new purchases** in advance of the ANA show in two weeks. They are listed at right, and they have been listed and pictured on the website. In addition, this

1806 B-8 Quarter with Cud will be auctioned at ANA in Boston

The minimum bid is \$12,000. Images of the coin can be seen on my website on the Bust Quarters page, and the coin can be examined at my table #840 at the ANA show.

Rules: All bids must be in writing. E-mailed bids are due Thursday, August 12 at 10 pm Eastern. Hand-delivered bids should be sealed (see us for a form and envelope) are due Friday, August 13 at 2 pm Eastern. My table assistant and I will open the sealed bids at 2 pm Friday, August 13 and the person with the highest bid will be awarded the coin at the amount of that person's bid. There will be no buyer's fee. Payment is required in good funds from the buyer by 5 pm Friday. If the winning bidder is not at ANA, other payment arrangements will be made.
